about us

The market is in need of well experienced, hands on, professionals. Based on execution power, Westerprojekt will add and implement accumulated market knowledge and expertise to your business and, where necessary, provide financial support.

Enclosed you will find an overview of our consultants. As you can see everyone has his/her expertise and field of experience, in order to serve you well on various topics.

For more information on Westerprojekt and its employees, references, press releases and associated partners, we refer to our website: www.westerprojekt.nl.

Over 30 years of experience did not only generate a sizeable bank of knowledge, but also an impressive network.

consultancy | (venture) capital solutions | real estate

Westerprojekt, founded in 1978, consists of a holding company and three business units - consultancy, venture capital and real estate. As a client of Westerprojekt, you can make use of the 30 years experience and knowledge gathered over this period.

Our advice is based on experience.

We'll shower you with ideas and inspiration.

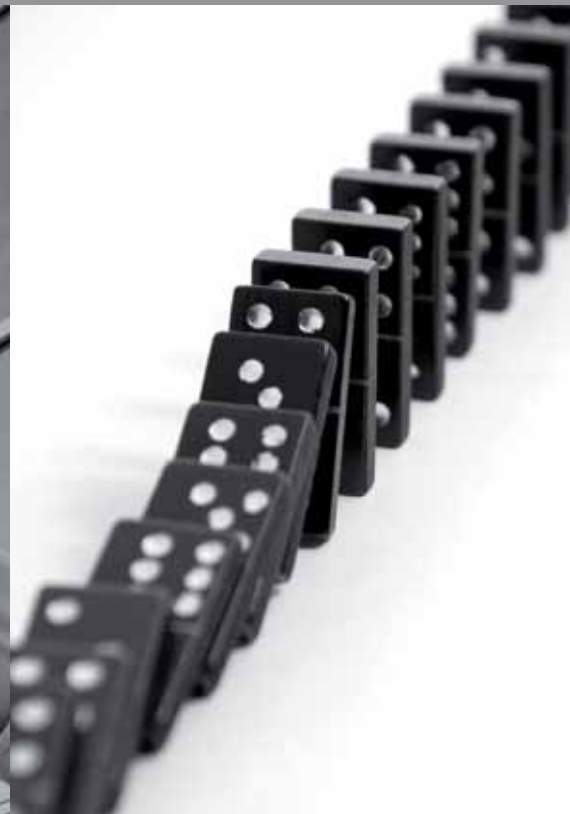

consultancy services

The consultants of Westerprojekt have broad experience in

- (problem or product) analysis with potential solutions
- tailored (interim) management
- sales & (web based) marketing and communication
- ICT
- legal, fiscal and organisational issues
- financial and project management
- business development
- sourcing, procurement and quality management
- acquisitions
- reorganizations
- restructuring of enterprises
- business succession and takeovers
- real estate.

You want a brainstorm about business succession?

Tailored (interim) management.

This knowhow is of course applicable in many areas and is, through Westerprojekt consultancy services, at your disposal.

Some of our consultants are skilled in professional associations. This also makes Westerprojekt a competent partner in the non-profit sector.

Westerprojekt also operates internationally for instance, companies that (intend to) do business on the Chinese market are our clients.

Enclosed you will find an overview of our services demonstrated in 'the Westerprojekt Services menu structure'.

We can also participate in your company.

If necessary, we can help you to restructure your company.

(venture) capital solutions

We believe in the advice we give. We are therefore prepared to participate in its implementation. For those who are interested, management buy-ins are possible. Feel free to discuss the possibilities with us.

Westerprojekt is your serious partner in all sorts of business property.

real estate

Westerprojekt is your serious partner in all kinds of business property, whether it concerns housing issues, purchase and leasing, project development, financing, insurance or investment.
